CHAMBERS & PARTNERS HIGH NET WORTH GUIDE 2020

We congratulate our Senior Partner John F Wilson QC, who has been named as one of the nine top Wealth Management lawyers in the Commonwealth of The Bahamas by Chambers & Partners High Net Worth 2020, a coveted international legal ranking guide with a high level of selectivity.

The High Net Worth Guide ranks the top lawyers and law firms specialising in international private wealth, covers more than 100 jurisdictions and is based on extensive research and analysis as well as client and peer review.

"It is an honour to receive such high acclaim from Chambers says John F Wilson QC, Senior Partner at McKinney Bancroft & Hughes, as it represents the high level of service and dedication I try to provide to our clients."

John was assessed and ranked by Chambers for his outstanding qualities in technical legal ability, professional conduct, client service, commercial astuteness, diligence, and commitment. In addition, the reference guide conducted interviews with a host of John's clients, present and past and assessed his recent work performance.

Chair of the firm's Private Client and Trust practice, John has over two decades of experience and is a highly respected

authority on Bahamian law. John is one of the most sought-after commercial litigators in the Commonwealth.

"John Wilson's presence dictates the firm's culture and orientation, so the team all work to a high standard" said one Chambers commentator. Another added *"His knowledge base is widespread and covers all areas of law relevant to such clients. His effectiveness really stands out - he is hands-on and I bounce ideas off him regularly."*

McKinney Bancroft & Hughes, which itself was also ranked in Chambers High Net Worth 2020, is one of the largest and oldest firms in The Bahamas and conducts an extensive international and domestic practice from its Chambers in the cities of Nassau and Freeport.
